1 min contact**

**Laundry Pre-Wash**

# Spot Stains & Stubborn Dirt

It is advisable to clean up spillages as quickly as possible to avoid build up and irreparable damage to surfaces

## Daily maintenance

1

Spray liberally using enough product to soak the stain

2

Let the product penetrate the dirt.  
30 seconds to 1 hour depending on dirt

3

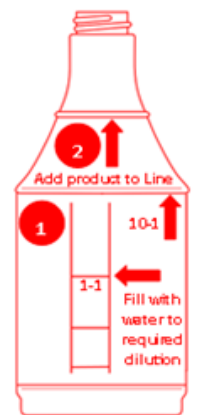

Rub with a cloth to remove dirt or stain

PURPLE  
TRIGGER

**NOTE: Process may need to be repeated depending on level and type of dirt.**
