

T032 : Bio Fresh

biological carpet de-odouriser

Description of product

Penetrates underneath the surface of the carpet to remove the source of odours from carpet backing and underlay. Replaces household bacteria that produce ammonia as a waste product.Biodegrades urine into CO2 and water. Lemon perfume for instant reodorisation before the bacteria start working. Totally out performs all detergent alternatives.

Directions

Spray directly onto the area affected. Product does not foam, allow the liquid to penetrate. Ensure the treated area is wet though not saturated. Leave to dry out, the area will be cleaned during a period of around 36 hours. Do not use in conjunction with antibacterial products.

iNsight Supported

iNsight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>

iNsight recommended product uses

Carpet - odour neutralisation
Carpet - stain removal
